Astuces et alternatives

- Pensez à contrôler votre horaire sur l'application tl et à anticiper votre départ
- Connectez-vous directement à la gare de Renens et au réseau ferroviaire national sans passer par Lausanne avec la ligne 54.
Dès le 27 septembre, sa cadence passera à la demi-heure en heure de pointe le matin et le soir. Elle assure la desserte entre Cheseaux-sur-Lausanne (arrêts : gare du LEB, Martheray, Châtelard) et Renens gare nord.
- Les lignes 50, 51 et 52 vous accueillent aussi.
